

Environment Policy

Ōtautahi Community Housing Trust is committed to environmental sustainability.

As an environmentally responsible provider of safe, warm, secure and affordable housing we will:

Understand our place in our environment and reduce our impact.

Fulfil all our compliance obligations

Protect our environment and prevent pollution

Track, review and keep improving our environmental performance and systems

Make environmental objectives part of our strategic plan

Involve our community as we plan and as we do

Ensure those we work with meet our sustainability goals

Toitū te whenua:
Let the permanence of land remain intact
